## VS1

I've got a heart that's full of faith filled helplessness

There are mountains ahead that I can't move by my self...

But I know when I'm weak, he's strong

When I can barely breathe there's still a song

Even though it's hard right now, I'm not here on my own...

## CH1

So when it seems it can't be done, I know God is big enough

I can run the race I'm called to run, cause I know God is big enough...

He'll finish every thing he starts

He'll meet us right here were we are

I can feel faith rising up, cause I know God is big

## VS2

On the days that the shadows of doubt make me feel small...

I declare that I don't stand in my strength at all, oh no,

Cause I won't live a day you didn't plan,

Every single moment is on your hands

Even if the whole world shakes, your the rock on which I stand...

## CH2

So when it seems it can't be done, I know God is big enough

I can run the race I'm called to run, cause I know God is big enough...

He'll finish every thing he starts

He'll meet us right here were we are

I can feel faith rising up, cause I know God is big-----

## BRIDGE

bigger then the fear that surrounds me...  
Bigger then the chains that have bound me  
Bigger then the story my past can tell, oh  
Bigger then the weight of tomorrow...  
Bigger then the hurt and the sorrow  
Bigger then the lies I've told my self...
