VS1

As I kneel in the darkness...

In the middle of the night

I'm praying for assurance

Will every thing's gonna be alright

Lord I see another battle...

Out in front of me

I don't know I won't be able

And I'll go down in defeat...

VS2

He said, do you remember...

Just where I brought you from

Just take a look behind you

At how far you've come

And every time you ask me...

Didn't I deliver you

So why would you be thinking

That I wouldn't see you through...

CH1

Didn't I walk on the water...

And I calmed the raging sea

I spoke to the wind

It hushed and gave you peace

Didn't I run to your rescue

Didn't I hear you when you called

I walked right beside you

So you wouldn't fall

And didn't I leave all of Heaven...

Just to die for your sin

And I searched until I found you

And I'd do it all a -g ain...

VS3

Now you're talking to your father...

In a house that He made a home

But your bills are coming due now

And three days is not that long

Then you hear a voice so softly...

It says I've moved like that before

I can do this little thing and

I can give you so much more... Bb/CCH1

CH2

He said I walked on the water...

And I calmed the raging sea

I spoke to the wind

It hushed and gave you peace

Didn't I run to your rescue

Didn't I hear you when you called

I walked right beside you

So you would n't fall

And didn't I leave all of Heaven...

Just to die for your sin

And I searched until I found you

And I'd do it all a -g ain...

CH3

Didn't I walked on the water...

And I calmed the raging sea

I spoke to the wind

It hushed and gave you peace

Didn't I run to your rescue

Didn't I hear you when you called

I walked right beside you

Just so you would n't fall

And didn't I leave all of Heaven...

Just to die for your sin

And I searched until I found you

And I'd do it all a -g ain...

Yes I'd do it

Oh I'd do it all again
