VS1

As I look back on all of my days

So many times and so many ways

I have been blessed and all I can say

Is God is still good

Sometimes the night brings sorrow and pain

Sometimes the tears flow like the rain

But through it all He's ne ver changed

God is still good

CH1

God is still good when the waves roll high

God is still good all through the night

When I've done all I can and I dont understand

God is still good

Clouds of doubt may darken the ways

But showers of blessings may come any day

He'll bring me through and I'll stand and say

God is still good

I've made my mi stakes but still I have found

God is still good

Mercy still flows from the palm of his hand

He will give grace and help me to stand

Although He knows how unworthy I am

God is still good
