

Intro

VS1

Lately I've been looking back a long this winding road...  
To the old familiar markers of the mercies I have known,  
I know it may sound simple but it's more than a cli che,  
There's no other words to tell you than to say

Chorus

God's been good in my life I feel blessed beyond my wildest dreams  
When I go to sleep each night sure I've had my share of hard times  
By my side He's always stood, through it all  
God's been good

Verse 2:

Times replay and I can see I've cried some bitter tears  
But I felt His arms around me as I faced my darkest fears...  
I've had more gains than loses and I've known more joy than hurt  
As His grace rolled down u pon me, unde served

Chorus

God's been good in my life I feel blessed beyond my wildest dreams  
When I go to sleep each night sure I've had my share of hard times  
By my side He's always stood, through it all  
God's been good

Bridge

God has been my Father, my Savior, and my friend  
His love was my be ginning and His love will be my end  
And I could spend forever trying to tell you everything He is  
But the best way I can say it is this

Chorus

God's been good in my life I feel blessed beyond my wildest dreams

When I go to sleep each night sure I've had my share of hard times

By my side He's always stood, through it all

God's been good
