

God's Got A Bigger thing Going on

Key of

Paul and Silas sitting in the darkness

Singing to the walls of the jail

Far from being worried, not a bit discouraged

They knew God's plan would prevail

You see, in the other room, God was pursuing

The soul of a lost prison guard

When walls began a shaking, earth began a quaking

He gave His heart to the Lord!

CH1

God's got a bigger thing going on

Than what these little bitty eyes can see

He's already working on tomorrow, making sure the sorrow's

Gonna work a lot of good for me

He's using all my earthly circumstances

To get me ready for eternity

God's got a bigger thing going on

Than what these little bitty eyes can see!

VS2

Take old brother Joseph, sold by His brothers

Carried to a wicked, foreign land

Thrown into a prison, no one there to help Him

Still, Joseph knew God had a plan

You see, Pharaoh started dreaming, asked could Joseph help Him

Joseph told the reason for the dream

The famine was avoided, Joseph was promoted

God's people had more than they could

CH2

God's got a bigger thing going on

Than what these little bitty eyes can see

He's already working on tomorrow, making sure the sorrow's

Gonna work a lot of good for me

He's using all my earthly circumstances

To get me ready for eternity

God's got a bigger thing going on

Than what these little bitty eyes can see!

VS3

You say you have a burden.

Every day you're hurting

You're wondering if your God's still alive

Seems that He's forsaken.

He's so far away and you're asking Him to please tell you why

Well friend, let me tell you, He will never fail you

With your eyes of faith you will see

He's got a plan that's working.

This you know for certain

A loving and a faithful God is He!
