VS1

When I'm faced with life's troubles...

And this world gets me down...

I call upon the one who's able,

To take me out of this valley

And set my feet on higher ground...

CH1

He is able and I have found out o'er and o'er,

Demons tremble when we call upon the Lord,

And if we will seek his face,

humble ourselves and pray,

He will carry us through for he's the one who's able

You might say that it's insane...

But when the devil tries to take me,

I just call upon my Jesus,

I only have to speak his name ...

CH2

He will carry us through for he's the one who's able

CH3
