VS1

It used to be so hard

Just to lift up my hands

Real liberty was something

I just didn't understand...

I was bound by circumstances

Only God knew about

But I left them at the altar...

Now I can say without a doubt

CH1

I'm free to worship

Free to lift up my hands and praise the Lord

After all He's done for me

I've got so much to praise Him for

All the chains that had me bound

Will never hold me anymore

I'm free to worship

Free to worship the Lord

There are so many things

That I've been through in my life

And you don't know the many times

That God has touched my mind...

All the things that used to bind me

Now are laying at my feet

So if you don't want to praise Him...

Then please don't hinder me
