Sometimes we as Christians we set upon the shelf

We're ashamed to lift our hands in praise we wait on someone else

But Jesus died at Calvary God's plan He did fulfill

And that is why I stand today trying to do His will

I'm not ashamed to stand and say that I love Jesus

I'm not ashamed to say I'm trusting His word

I'm not ashamed to lift up high that blood stained banner

Because I'm saved I'm not ashamed

In this life we have His blessings yet we fail to praise His name

He said if we're ashamed of Him of us he'll do the same

When He gave His life at Calvary He did it for all man

So that I can stand and proudly say that I've been born again

Chorus

I'm not ashamed to stand and say that I love Jesus

Because I'm saved I'm not ashamed
