

I'm Still Amazed

Verse 1

I've never got over that I am not under the bondage of sin anymore
I'm still amazed that Jesus would pay a debt I could not afford
I've never got past that I'm free at last from sin that made me a slave
And I still feel as much as when He first touched me oh yes I'm still amazed

Chorus

I'm amazed to know how far God would go to set a lost man free
And I'm still in awe that He gave it all for an old sinner like me
I've never got over that this King would shoulder my sin and all its disgrace
Yes Calvary's hill still gives me a thrill oh yes I'm still amazed

V.2

I'm amazed this stranger would accept a manger in a trade for a Kingly throne
And I'm still at a loss why he'd take the cross instead of a street of pure gold
He's the only King who gave everything in C}exchange for a cold dark grave
And I still love to ponder this God given C}wonder oh yes I'm still amazed
