

I'm Too Near Home

Intro

VS1

I've been traveling here in this Life, with it's heartaches, struggles and strife.

Sometimes satan tries to tell me to turn aside,

I say satan get thee behind no returning in me you'll find,

I'm too near my Heavenly home Where I'll abide

Chorus

I'm too near home of my Lord, too miss sweet Heaven's reward

I'm not returning to sin I've made my vow

There's nothing to go back to

O Praise the Lord, Sweet Heaven's in View

I'm too near my Heavenly Home to turn back now

Inter

VS2

Just one glimpse inside the home gate, see my friends and loved ones who wait,

Will be worth whatever the cost to make it thru,

But will not give up in this race. I'll continue by the Lords grace,

I'm too near that wonderful home beyond the blue
