

In The Garden

Key of

VS1

I come to the garden alone

While the dew is still on the roses

And that voice I hear falling on my ear

The Son of God discloses.

Chorus 1

And He walks with me, and He talks with me

And He tells me I am His own;

And the joy we share as we terry there,

None other has ever known.

VS2

He speaks at the sound of His voice,

Is so sweet the birds hush their singing,

And the melody that He gave to me

Within my heart is ringing

Chorus 2

And He walks with me, and He talks with me

And He tells me I am His own;

And the joy we share as we terry there,

None other has ever known.
