

## It's Still The Blood

In the key of

Intro

VS1

Once I wandered in sins black night  
There was no way I could make my wrongs right.  
Then that Old Accuser to the Lord did cry  
He is a Sinner and now He must die.

VS2

Then I heard a voice say Father send me I'll go  
And I'll pay his Sin debt in Calvary's flow.  
I will bare in my body the marks of the Cross  
To Save this Child who is Sin sick and lost.

CH1

And it's still the Blood that saves from Sin  
It's still the Blood that Cleanses within.  
From the Highest Star in Heaven to the depths of the sea. --Interlude--  
It is still the Blood of Jesus  
That brings Victory to me.

VS3

There are those who rely on works that they do  
And some men count on the times they Prayed thru  
Oh but when the Battles over and the Victory is won  
I'll go home through the Blood of the Father's only Son

CH2

And it's still the Blood that saves from Sin  
It's still the Blood that Cleanses within.  
From the Highest Star in Heaven to the depths of the sea. --Interlude--  
It is still the Blood of Jesus

That brings Victory to me.
