VS1

When I first started walking with the Lord

I did not really trust Him

And how He longed for me to understand

That I could...

So through the valley He led me,

Afraid as I may be

Until I felt His loving arms embracing me

CHORUS

And I've been through enough to know

He'll be enough for me

He's come through too many times..

That puts my mind at ease

I'll stake my very life,

He's gonna take care of me

Because... I've been through enough to know

He'll be enough for me

VS2

How could I ever doubt aGod

Whose hands hold this universe

How could I ever question...

His ability

There's no place that I can go that He doesn't know

Exactly where I'll be

He's always a ware of wherever I am and just what I need

CHORUS

And I've been through enough to know

He'll be enough for me

He's come through too many times..

That puts my mind at ease

I'll stake my very life,

He's gonna take care of me

Because... I've been through enough to know

He'll be enough for me

TAG

And I'll stake my very life,

He's gonna take care... G/B of me

Because I've been through enough to know

He'll be enough for me
