## VS1

Going through so many changes...

What's the news for today.....

Somebody's hurt, somebody's aching...

Somebody's trying to find a way.....

## VS2

A heavy heart can break your will...

A troubled soul leaves time..

Standing still.....

If you're hurting please... don't hide...

Lift up your head I'm on your side.....

## CH1

When every mountain seems too high

When every river looks too wide.....

When my ship are lost at sea

Jesus rescues me...

My faith is strong and carries me

Though sometimes weak I still believe.....

My life is built on this desire

Through the flood and through the fire

Jesus rescues me

## VS3

I know you're looking for an answer...

Searching for some hope to hold.....

Empty hands leave you waiting...

Praying for a miracle.....

## VS4

Jesus hears every cry...

He sees the mountains you can't climb.....

And He will heal your hurting soul...

And lead you safely to his Home.....
