I was going to the well again the other day
Not knowing that my life was gonna change
There I met a Man who told of Living Water
He said I could drink and never thirst again
He was waiting for me at the well
He knew who I was and what I would need

Chorus

Lord, give me a drink of that Water
Oh, the living Water let it flow to me through everlasting life
Lord, I need a taste of that fountain flowing from Heaven
I'll leave my past behind and I can start over again
And I know that I will thirst no more

He knows who you are and what you need

Lord, give me a drink of that Water
