

Nail It To The Cross - F

Verse 1

Is there something in your heart between you and the Lord

Are you drifting apart not as close anymore

There's nothing you can do that He will not forgive

Bring it to the cross let it die so you can live

Chorus

Nail it to the cross get it under the blood

Drown your pain and every stain in the mercy flood

Nail it to the cross find hope and forgiveness

Kneel at the tree and walk away free Nail it to the cross

Verse 2

Is there a burden you bear that's got you battered and bound

Struggling for strength, do you long to lay it down

Don't take another step just kneel where you stand

ay it at the cross and take the hammer in your hand
