## VS1

You told me in your word how you are working all things  
For the good of those who will only believe  
Every good and perfect gift comes straight from your hands  
So remind me Lord of this  
When I need to hear it again..  
That you are good and you are holy  
Working all things for your glory  
Sometimes I can't even comprehend  
How you are moving and you're working  
My problems you are solving  
I don't even know where to... begin  
Cause your are so good...  
It's overwhelming

## VS2

I have learned your ways are higher than  
My mind can conceive  
Far beyond what I could ever ask or think  
And Lord my heart is trusting in  
The wisdom of your plan  
There's purpose in the pain  
Though I may not understand...

## CH2

Still you are good and you are holy

Working all things for your glory

Sometimes I can't even comprehend

How you are moving and you're working

My problems you are solving

I don't even know where to... begin

Cause your are so good...

It's overwhelming...

That you are good and you are holy

Working all things for your glory

Sometimes I can't even comprehend

How you are moving and you're working

My problems you are solving

I don't even know where to begin

Cause your are so good...

It's overwhelming...

TAG

God your are so good....
