

Precious Jesus

Verse 1

Who is refreshing as an ocean in the desert

as lovely as a flower in the C snow

Who is as watchful as an eagle o'er her young ones

As gentle as a summer breeze that blows

Chorus

Precious Jesus, sweet rose of Sharon

There's peace and triumph when we speak his name

Loving Saviour He's my sunshine in the midnight

My guiding star that shineth all the day.

Verse 2

Who is the C}one who understands my burdens

he helps me smile and hum a happy melody

A liberated soul cannot sing about being bound for long

Without looking back and realizing he's been set free

Chorus

Precious Jesus, sweet rose of Sharon

There's peace and triumph when we speak his name

Loving Saviour He's my sunshine in the midnight

My guiding star that shineth all the day.

Ending Chorus

He's the Son the God, the F}Great I am to me

Light in the darkness, He's the well of living water

He's the bread of life the dearest friend to me
