VS1

God is faithful to hear His children

Victory's will come our way...

He cannot send them until we ask Him

Somebody needs to pray

CH1

Some- body go get God

Somebody go get God

Tell Him we're thirsty,

Beg Him for mercy

Will somebody go get God

VS2

We have a promise from holy scripture

One that makes God's children brave

That if we seek Him

While we can find Him

We can move His hand today

CH2

Some- body go get God

Somebody go get God

Tell Him we're thirsty,

Beg Him for mercy

Will somebody go get God

Bridge

Seems we're loosing to Satan

Even loosing our children

But there's still hope at Cal-va-ry

If we all share these burdens

CH3

Some- body go get God

Somebody go get God

Tell Him we're thirsty,

Beg Him for mercy...

Will somebody go get

God.... get God.
