## VS1

It's been one of those days

That drives me to my knees

When there are more questions than answers

And all of the things I can't figure out

Have left me with more tears than laughter

I don't know how he's going to move

But I know he knows what I need

## CH1

Sometimes He's water to the thirsty

Sometimes He's fire all consuming

Sometimes His voice is louder than thunder...

Sometimes Sometimes He whispers

## VS2

...So I'll keep listening and waiting for Him

...And I'll keep trusting and believe

That the same God who spoke all the stars into place

Is the same one who will speak peace to me

I don't know how he's going to move

But I know he knows what I need

## CH2

Sometimes He's water to the thirsty

Sometimes He's fire all consuming

Sometimes His voice is louder than thunder...

Sometimes Sometimes He whispers
