## VS1

I was a wretch...

I remember who I was

I was lost, I was blind

I was running out of time

Sin separated...

The breach was far too wide

But from the far side of the chasm

You held me in your sight

## VS2

So You made a way...

Across the great divide

Left behind Heaven's throne

To build it here inside

And there at the cross...

You paid the debt I owed

Broke my chains, freed my soul

For the first time I had hope

## CH1

Thank you Jesus for the blood applied

Thank you Jesus, it has washed me white...

Thank you Jesus, You have saved my life

Brought me from the darkness into glorious light

## VS3

You took my place...

Laid inside my tomb of sin

You were buried for three days  
But then You walked right out again  
And now death has no sting...  
And life has no end  
For I have been transformed  
By the blood of the lamb

#### CH2

Thank you Jesus for the blood applied  
Thank you Jesus, it has washed me white...  
Thank you Jesus, You have saved my life  
Brought me from the darkness into glorious light...

#### BRIDGE

There is nothing stronger  
Than the wonder working power of the blood  
The blood  
That calls us sons and daughters  
We are ransomed by our Father  
Through the blood...the blood

#### BRIDGE2

There is nothing stronger  
Than the wonder working power of the blood  
The blood  
That calls us sons and daughters  
We are ransomed by our Father  
Through the blood...the blood

#### CH3

Thank you Jesus for the blood applied  
Thank you Jesus, it has washed me white...  
Thank you Jesus, You have saved my life...  
Brought me from the darkness into glorious light...

#### HYMN

Glory to His name

Glory to His name...

There to my heart was the blood applied

Glory to His name
