

The Lighthouse

In the key of

VS1

There's a lighthouse on the hillside
That over looks life's sea
When I'm tossed it sends out a light,
A light that I might see
And the light that shines in darkness
Now will safely lead me home
If it wasn't for the lighthouse
My ship would sail no more.

CH1

And I thank God for the lighthouse,
I owe my life to him.
For Jesus is the lighthouse,
And from the rocks of sin,
He has shown a light around me
That I might clearly see
If it wasn't for the lighthouse
Tell me where would this ship be?

VS2

Every body who lives around me
Says tear that lighthouse down
For the big ships
Don't sail by this way anymore,
Ain't no use of it standing around
But then my mind goes back
To the stormy night when just in time,
I saw the light,
Yes the light from that old lighthouse,

That stands up there on the hill.

CH2

And I thank God for the lighthouse,

I owe my life to him.

For Jesus is the lighthouse,

And from the rocks of sin,

He has shown a light around me

That I might clearly see

If it wasn't for the lighthouse

Tell me where would this ship be?
