VS1

Jesus is my high tower

My light in the dark hour

With out Him, I could not see

He is closer than a brother

Above Him there's no other

With out Him, Where would I be

Oh Jesus, What a friend is He...

CHORUS1

For, He is the Rock upon which I stand

And He's a present help in time of need

And when this whole world

Has left me all a- lone...

Then, I can feel Him walking right by me...

And when Everyone walks out,

That's when He walks in

proving once again that He's my dearest Friend

And He Promised He'd go with me always

Even til the end

VS2

And just as long as this world stands

He promised he would hold my hand

And that I would never walk a lone

And He said, He'd go with me always

Through good times and through hard days

He would be my Friend, my Guide

Oh, Jesus, He's the Best Friend in my Life...

And He Promised He'd go with me always  
Even til the end
