Pre-CH

I'm gonna let the glory roll when the roll is called in Glory
I'll gonna get beside myself when I get beside the King that day
I'm gonna have the time of my life when the time of my life is over
I'm gonna get carried away when I get carried away

VS1

Well, I don't know why I become a little shy
When I get around a whole lotta people
And I can't figure out why I never can shout
About the love that floods my soul
Well, I must confess, I can't express
The feelings deep inside me
The things I know and cannot show
One day will overflow

CH1

I'll gonna get beside myself when I get beside the King that day
I'm gonna have the time of my life when the time of my life is over
I'm gonna get carried away when I get carried away

VS2

Well I'll pass the clouds and shout so loud it may sound like thunder
My tearful eyes may fill the skies until it looks like rain
When I leave this world past the gates of pearl and stand before my Savior
I'll let my soul let the glory roll when the roll He calls my name
